Kaffle Hit

Summary of UKSS-13

Themes for next UKSS could be:
- Almost achieved research & systems.

Diagram:
- Model
  - Truth
  - Validability
- Human
- Real World

Ontology

Epistemology

Is understanding through models a REAL understanding?

Philosophy, Ontology, etc.
Here are some questions that might help me in my daily work:

1) I get too many, follow GQM and the Pomodoro Technique. I follow a system.

2) Not there. There is too little focus on the bigger task. This is a breakdown of motivation.

3) I need to redesign the system.
1. Introduction

2. Literature review

[Diagram]

3. Method

4. Results

5. Discussion

6. Conclusion
