What is the "error signal"?  
What is the conflict?

What is ordinary about Met Kudos?

1) Spitting the reverb is like a game...
2) After getting the obvious reverb, it is possible to play along anyway and then an inner reform...
3) This is a form of 'interpretative game' made with interpretative research.
In future sessions. (Approx. 10 pages)

1. It may be easy to turn the paper into a manuscript.
2. I also need to rewrite the abstract.
