Kaffe 4

Writing group

\[ 4 \times 60 = 240 \]

-----------------------------

Structuralism? It makes sense to discuss the teacher's movie, to compare each of them... looking for structure.

When we boarding 16, we also went through. Classification and comparison and classification of stories is... indeed.
Research question.

What are we addressing?

1) We have been using the method.
2) We apply the method in Malawi and discuss problems.
3) We suggest a way to improve the method.
How to write papers...

The problem is: Why do we submit papers to conferences?

Answer: I don't know what a paper visual model of what a paper should look like.
\[ \frac{3}{4} \times 2 = \frac{3}{4} = \frac{3}{2} = 1 \frac{1}{2} \]

What is the second question?
