Cobol - what is the problem?

1) Discussion is incomplete, will result in unclear research goals next year.

PLAN
- Rewrite to fit with RCA (abstract)
- Rewrite to fit with PhD ideas
- Remote discussion
- Rewrite introduction and conclusion
RCA/Cobol

What is the main problem?

The repeat does not work as RCA, resulting in root causes not being eliminated, preventing the Cobol process to work.

Proratorio Plan

1. rework Cobol to fit another
Pomodoro plan

- Remodel Celrol to fit with RCA
- Remodel Celrol to fit with two PhD mechanisms
- Remote discussion
Abstract - RCA

What is the problem?

→ Not following standards, nor regarding to requests...
