Books about talent.

Focus on process

Echel \rightarrow 10 years

Despite ongoing in life feel 

Research \rightarrow sensing because

learning \rightarrow Risk

Action research \rightarrow Confidence

Do you tremble...?

Flow - talent - research...
What is the purpose of my research?

- To learn life into research
- To be a scientist
- To be an active researcher

**Thesis - method**

3.1 Flow model

3.2

[Diagram]
3.1 Action research

3.2 Cycle model

3.3

What is the purpose of the chapter?

1) Explain method
2) I am the research interest
3) Not frequently, but meaning.
3.1 General description

(pleasure) → (Sample)
↑
(population) &

3.2 Population & sampling procedure

I am interested in meaning and
→ Cyclic model? NTA

3.3 Research interests

Myself...
3.4 Data collection
Research design

3.5 Data analysis

3.1 Genre Design
3.1.1 Paradigm?
3.1.2 Research wheel?
