Could I do some kind of survey mentioned in chapter 2?

TS1 (studies) → Game Here (RISK) → Influencer Studies

This is relevant for the discussion, how I distinguish my case among other cases.
2. Methodological review

2.1 TSI - model

2.2 Risk game - Henry

2.3 Data

3. How I collected my own data

4. Results

5. Discussion

5.1 Triangulation support

5.2 Validity (trust, correct alternative instruments)

5.3 Reliability (trust, reproducibility)
